Dayzee Dazzle and the Cadaver Collectors
Thrills N Kills in the Hills - Book Four

Life for Dayzee Dazzle and the Kildare Killers, Marilyn and Sophia, will never, ever be the same again.

The Cadaver Collectors deliver an unprecedented level of destruction to Dayzee's mansion in the Flats of Beverly Hills as they seek corpses to consume. Nearly everyone ends up in some degree of death: the on-loan prisoner yard crew, the temp film crew, all of the firemen, most of the neighbors, the producer of their "Kildare in the Hills" reality show, their photographer, Jiff . . . even Mack, their bartender from the Prism on Sunset Boulevard.

As the gigantic house burns around them, they all try one last desperate ploy to lure some unknown savior through the portal hidden deep under Dayzee's house. They use everything that they think will help: nakedness, sex, danger . . . even a couple of mountain lions pitch in.

And what they succeed in summoning to that dark chamber far beneath Dayzee's mansion offers a rescue that is depraved and deadly and changes lives forever.
