## Dayzee Dazzle and the Kildare Killers

### Thrills N Kills in the Hills - Book One

**They're gorgeous and dangerous and always eager for thrills. The kills just seem to happen. A lot.**

Dayzee Dazzle and her best friends, the Kildare Killers, are famous and stunning. They're too beautiful to be from this planet, and that's because they're not. Earth men can't resist them and rarely survive them.

After Dayzee dodges gunfire in a swanky Beverly Hills hotel, she calls her best friends, the beautiful twins Marilyn and Sophia, to watch her back. They quickly learn that something much more deadly and otherworldly than a common sniper has been sent to kill them all. They take on the assassin with laughter and lack of clothing, leaving dead bodies and satisfied smiles in their wake.
