Jayden Blue and the Journey to Val ka'Yoom  
A World So Close – Book Four

**Find what no one else can find, in a world that only you and your best friend can see: Look inside your heart.**

Jayden Blue and Raylene Hawkins, along with Jayden's cats, Hex and Halo, are committed to answering the request from the giant Iron Lions: they must find Val ka'Yoom and help resolve the conflict between him (or it?) and all of the iron lions. Their journey to find Val takes them to every corner of the World So Close, and they meet many odd, humorous, and helpful new friends.

The long journey leads them to the home of Val ka'Yoom, and they wonder if they've learned enough to help. Can they negotiate some sort of peace between Val and all of the iron lions? Have they looked deeply enough into their hearts to know what will help Val ka'Yoom?
