Jayden Blue and the Lair of the Iron Lions
A World So Close – Book Three

Find what no one else can find, in a world that only you and your best friend can see: Look inside your heart.

Every school day, before waiting for the bus with his best friend and next door neighbor, Raylene Hawkins, Jayden Blue gets embroiled in whatever game his cats, Hex and Halo, want to play. This week, they've decided that hide and seek just won't do.

Encouraged by his new popularity in school, Jayden signs up to audition for a role in a school play. Only then does he have doubts about performing on stage in front of an audience. In their continuing journeys to the World So Close, Jayden and Raylene are led to The Lair of the Iron Lions. There, they learn that those lions, though ferocious and fierce and fearless, also need their help.
