Lin Finity and the Islands of Time Fringes of Infinity - Book Three

An Ancient Queen – No longer alive but too strong to die.
Her Diabolical Plan – A trap enduring across the centuries.
Lin Finity – Sexy, magical, and the Queen's first hope in 2,000 years.

After Lin speaks the Words of God, the magic of powerful Queen Gloriana snares her. She drags Lin to the Godless empty spaces between the Islands Of Time, where no life can exist. Gloriana has but one chance to live again: only Lin's power can save her.

From Gloriana's attacks and from Gabriel's teachings, Lin learns that there are endless possible lives for her – all too compelling to resist. While fighting to hang on to the life she knows, Lin loves Jack more than he can imagine, and she helps her daughter deal with an unbelievable, long-lost power. But to save the Queen, Lin risks unleashing an unstoppable death-bringer into the world of the living.

There are infinite ways to live on the Islands Of Time. In the end, Lin sees only one choice.
