Lin Finity and the Words Unspoken Fringes of Infinity - Book Two

A DEADLY SCROLL bearing the Words of God.
An EVIL MANIAC seeking one who can read it.
LIN FINITY - Beautiful, Powerful . . . and Hunted.

Running from the trail of her mayhem, Lin has left her old life behind. But not for long. She's ready to face her future, and there's much more magic to learn. With Gabriel's help.

The Shield has been waiting for centuries for anyone with enough power to read the Scroll. If Lin won't come willingly, the diabolical group will try to force her. Everyone is in danger: her boyfriend Jack, her new friend Lee...even her dog Nomad. Lin must survive their onslaught and read the Scroll and not let it destroy her.

Along the way, her romance with Jack heats up, she discovers the truth of her daughter's illness, and she learns the Words of God. As they were understood by the Scroll's creator long ago.

WORDS that came UNSPOKEN.

WORDS Lin should have left UNSPOKEN.
